## WOODSON HIGH SCHOOL NINTH GRADE COURSES FOR 2024-2025

Courses offered to freshmen for 2024-2025 are listed below. Staffing is based on the courses that you select, so please plan carefully. **Rising freshmen should consult their middle school counselor for appropriate course placement.** Please continue to work with your current counselor regarding classes for next year through the end of the school year in June.

Please note: courses may be canceled if enrollment numbers are low. If an elective you selected is canceled, you will be moved to one of your backup electives (be sure to select two backup electives). Course requests can be found in StudentVue and ParentVue.

**Course change requests for the 2024-2025 school year will be accepted until March 14th, 2024.** After that date, requests can only be granted on a space available basis. Please contact your current MS counselor to request a change.
