

Summer 2024 – AB Calculus Assignment (optional)

If new to DeltaMath:

1. Go to www.deltamath.com and click on the gold “For Students” button.
2. Click on the gold “Register” button.
3. Enter the class code: **696H–93W3**
4. Then, click “Register with Username” **NOT** “Register with Google”.
5. For username, type your first name then last name with no spaces (ex. JohnSmith). If your name is not accepted, put a number at the end (ex. JohnSmith12).
6. Then, create a password. **Write your username & password down.**
7. You will need to contact Ms. Nowicki (psnowicki@fcps.edu) to change your password if you forget it.

If you already have a DeltaMath account:

1. Sign into your old account, click “Add New Class”. Then, type in the class code: **696H–93W3**

The assignment reviews important concepts from Algebra 2 and Precalculus and should take about 4 hours to complete.

It will be available at 8am on July 15, 2024.
