W.T. WOODSON HIGH SCHOOL UPPERCLASS COURSES FOR 2022-2023

Teacher Feedback Instructions: Students will meet individually with their teachers during class on Feb. 3rd and 4th to obtain teacher feedback regarding course selection for next school year. Teachers will also share their feedback with school counselors to assist with academic advising conversations. After feedback meetings, **students should use this form to input the correct course numbers into SIS to make their draft course selections.** School counselors will then meet individually with students to finalize course selections.

Courses offered to rising 10th-12th graders for 2022-2023 are listed below. Staffing is based on the courses that you select, so please plan carefully. Please note - courses listed below may be canceled if enrollment numbers are low. If a course you selected is canceled, your counselor will contact you or, if unable to reach you, will replace it with one of your alternate choices. You will receive a list of the courses you selected in your individual meeting with your school counselor. Course requests can also be found in StudentVue and ParentVue. **Changes to course requests for next school year will be accepted until March 31st, 2022.** After that date requests will only be granted on a space available basis (no guarantee of placement).
