## W.T. WOODSON HIGH SCHOOL UPPERCLASS COURSES FOR 2023-2024

**Teacher Feedback Instructions:** Students will meet individually with their teachers during class on Feb. 1<sup>st</sup> and 2<sup>nd</sup> to obtain teacher feedback regarding course selection for next school year. Teachers will also share their feedback with school counselors to assist with academic advising conversations. After feedback meetings, **students should use this form to input the correct course numbers into SIS to make their draft course selections.** School counselors will then meet individually with students to finalize course selections.

Courses offered to rising 10<sup>th</sup>-12<sup>th</sup> graders for 2023-2024 are listed below. Staffing is based on the courses that you select, so please plan carefully. **Please note - courses listed below may be canceled if enrollment numbers are low.** If a course you selected is canceled, your counselor will contact you or, if unable to reach you, will replace it with one of your alternate choices. You will receive a list of the courses you selected in your individual meeting with your school counselor. Course requests can also be found in StudentVue and ParentVue. **Changes to course requests for next school year will be accepted until March 31st, 2023.** After that date requests will only be granted on a space available basis (no guarantee of placement).
