# WOODSON HIGH SCHOOL UPPERCLASS COURSES FOR 2024-2025

**Teacher Feedback Instructions:** Students will meet individually with their teachers during class on Jan. 16<sup>th</sup> and 17<sup>th</sup> to obtain teacher feedback regarding course selection for next school year. Teachers will also share feedback with school counselors to assist with academic advising conversations. After feedback meetings, **students should use this form to input the correct course numbers into SIS to make their draft course selections**. School counselors will then meet individually with students to finalize course selections.

Courses offered to rising 10<sup>th</sup>-12<sup>th</sup> graders for 2024-2025 are listed below. Staffing is based on the courses that you select, so please plan carefully. Please note - courses listed below may be canceled if enrollment numbers are low. If an elective you selected is canceled, you will be moved to one of your backup electives (be sure to select two backup electives). You will receive a list of the courses you selected in your individual meeting with your school counselor. Course requests can also be found in StudentVue and ParentVue. Changes to course requests for next school year will be accepted until March 14<sup>th</sup>, 2024. After that date, requests can only be granted on a space available basis (no guarantee of placement).
