WOODSON HIGH SCHOOL NINTH GRADE COURSES FOR 2025-2026

Courses offered to freshmen for 2025-2026 are listed below. Staffing is based on the courses that you select, so please plan carefully. **Rising 9th graders should consult their middle school counselor for appropriate course placement.** Please continue to work with your current counselor regarding classes for next year through the end of the school year in June.

Please note: courses may be canceled if enrollment numbers are low. If an elective you selected is canceled, you will be moved to one of your backup electives (**be sure to select two backup electives**). Course requests can be found in StudentVue and ParentVue.

Course change requests for the 2025-2026 school year will be accepted until March 14th, 2025. After that date, requests can only be granted on a space available basis. **Please contact your current middle school counselor to request a change.**
