AP World History**

AP United States History**

AP United States
Government and Politics**

*Honors level history classes have greater rigor, deeper content, go at a faster pace, and require more work outside of class. 0.5 grade weight.

**AP classes have greater rigor, more content, go at a faster pace, and require more work outside of class than an honors class.

1.0 grade weight.

Standard diplomas require three standard history classes. Courses completed to satisfy this requirement include U.S. and Virginia History, U.S. Government and either World History I or II.

Advance diplomas require four years of history classes.

Students that qualify for services can access self-contained and team taught classes at the standard level.
